

June 2010 Member Newsletter

Hello to everyone in the West Chilcotin

BC Ferries started to run on May 15th and business should start to pick up. That brings me to the project I'm working on:

A presentation in a binder of all members of the WCTA

This binder will travel with a volunteer of the Bella Coola Valley Tourism Association once a week on the Ferry between Port Hardy and Bella Coola. All members should provide me with a 100 word write up, a high resolution picture and their brochure. I'll meet with the volunteer and "train" him about all the members we have here in the West Chilcotin.

So hurry up and send me your write up !!!!

And as I'm already doing a binder, I thought I could give the same one to the volunteers at the Alexis Creek Visitor Centre and the Discovery Centre in Williams Lake, the Visitor Centre in Bella Coola and Port Hardy So, all our Members will benefit from this binder.

Provide me with as much info about your operation as you can. By the end of the month the Visitor Info Booth should be done. We'll be ready to rack your brochures. Please drop them off at the Tatla Lake Manor or the Nimpo Lake General Store.

For non members there will be a rack fee.

Please contact me for further information: 250 742 3742 or info@visitthewestchilcotin.com.

That's it for the moment, have a great month

Take care

Heidy Lenz
Program Coordinator
WCTA
